### Test Manuscript

Journal: Nanotechnology NIHMSID 16059 [Provide citation](#)

Start by reviewing the files. The PDF Receipt summarizes the information that the submitter entered into the system and merges the manuscript's files into one viewable document for your approval. If all of the files are present and complete (all provided supplemental files will display as placeholders only), please check the box and move on to the funding portion.

#### Step 1. Review Deposited Files

PDF Receipt[2014-12-12 15:33:49, 161.2 KB]

Please reject the deposit if any files are missing.

By checking this box I certify that this manuscript submission includes all referenced

- Step 1. Review Deposited Files
- Step 2. Add or Review Funding
- Step 3. Reassign Reviewer
- Step 4. Select or Review the Embargo Required by Journal or Publisher

#### Step 2. Add or Review Funding

Grantee/PI	Grant/Project ID	Title
Test Guy	R01 CA123456	Fake-ish Grant

[Add Grants](#)

If there is applicable funding that is not already listed here, please click [Add Grants] and link the funding to the submission.

#### Step 3. Reassign Reviewer

If you are not an author or PI or cannot complete the current review or the review of the PMC-ready documents version when they are available, you may reassign the review to another Reviewer.

Select	Reviewer						
<input type="radio"/>	Test Guy						
<input checked="" type="radio"/>	Me (Test Reviewer)						
<input type="radio"/>	<table border="1"> <tr> <td>First Name</td> <td>Last Name</td> <td>Email</td> </tr> <tr> <td><input type="text"/></td> <td><input type="text"/></td> <td><input type="text"/></td> </tr> </table>	First Name	Last Name	Email	<input type="text"/>	<input type="text"/>	<input type="text"/>
First Name	Last Name	Email					
<input type="text"/>	<input type="text"/>	<input type="text"/>					

If this project was not funded by any of the agencies listed on the NIHMS Funders page, please let us know.

If there is a problem with the files uploaded for your manuscript, please reject the PDF (skip to Slide 6).

#### Step 4. Select the Embargo Required by Journal or Publisher

Release in PMC  after publication in the journal.

Test Manuscript

Journal: Nanotechnology NIHMSID 16059 [Provide citation](#)

Add the supporting funding information by selecting the relevant grant from the suggested items (associated with your account) or searching by the PI's name and/or grant/project ID number. As you start typing a grant/project ID, a drop-down list of potential candidates will appear. You may either select one of these suggestions if you see the grant you are looking for or complete the manual input of the grant/project ID.

## Enter project support information

Search by:

AND/OR

Once you have filled in the search field(s), click [Search] to display the list of results.

Search

### Test Manuscript

Journal: Nanotechnology NIHMSID 16059 [Provide citation](#)

#### Step 1. Review Deposited Files

PDF Receipt[2014-12-12 15:33:49, 161.2 KB]

Please reject the deposit if any files are missing.

By checking this box I certify that this manuscript submission includes all referenced figures, tables, and supplemental materials.

- [Step 1. Review Deposited Files](#)
- [Step 2. Add or Review Funding](#)
- [Step 3. Reassign Reviewer](#)
- [Step 4. Select or Review the Embargo Required by Journal or Publisher](#)

#### Step 2. Add or Review Funding

Grantee/PI	Grant/Project ID	Title
Test Guy	R01 CA123456	Fake-ish Grant

[Add Grants](#)

An author or PI does not need to select a different Reviewer, but can do so if it is preferable that another author or PI review and approve the material.

#### Step 3. Reassign Reviewer

If you are not an author or PI or cannot complete the review, please reassign to another Reviewer. Ready documents version when they are available, please reassign to another Reviewer.

Select	Reviewer
<input type="radio"/>	Test Guy
<input checked="" type="radio"/>	Me (Test Reviewer)
<input type="radio"/>	<input type="text" value="First Name"/> <input type="text" value="Last Name"/>

If you are proceeding as the Reviewer, please set the embargo that is required by your publisher, and click [Approve] to proceed (skip to Slide 8).

#### Step 4. Select the Embargo Required by Journal or Publisher

Release in PMC  after publication in the journal.

## Submission Problem Report

If you have rejected the PDF, please take a moment to indicate the reason for rejection, and the Submitter will be notified via e-mail.

Please describe your reason(s) for rejecting the deposited files in the space provided below. (The information box to the right is available for guidance.) Your comments will be sent to the submitter to be addressed. You will be notified when an updated deposit is available for your review (if applicable).

Notify Submitter

Should I reject this deposit because files (e.g., tables, figures, supplements) are missing or corrupt?

Should I reject this deposit because I am not associated with the paper?

Should I reject this deposit because it contains typos?

Should I reject this deposit because it is not the final published version?

Should I reject this deposit because it contains underlining, strikethroughs, or typos?

## Review of NIHMS submission statement

Please take a moment to read over our Submission Statement and certify that you have the rights to provide this manuscript for public access.

### Submission Statement

**Manuscript Title:** Test Manuscript  
**Accepted for Publication in:** Nanotechnology

If you need to go back to change the reviewer, or the release date, you can do so using these buttons. If you need to go back to change the reviewer, or the release date, you can do so using these buttons.

I am an author of this manuscript, and I am providing it to the National Institutes of Health (NIH) to make publicly available in PubMed Central 12 months after its official date of publication in the journal.  
I confirm that:  
Publication or Copyright Agreements — In any agreements that I have made with the journal, I have agreed to deposit this manuscript with PMC, so that it may be appropriately tagged and made available to the public on the PMC web site; or, I otherwise am legally authorized to deposit this manuscript for the purposes described.

**Confidentiality** — The manuscript may contain confidential information that must not be publicly disclosed prior to publication of the paper in the journal.

**Peer Review** — The version I am submitting has been peer reviewed and accepted for publication and includes all modifications resulting from the peer review process.

**Funding** — The manuscript is the work of an employee of the National Institutes of Health, or is otherwise funded by NIH.

If for any reason you disagree with the Submission Statement, select [Disagree] and submit a comment so we can assist you.

## Thank you for the submission.

You have successfully initiated a submission in the NIHMS system! Below is a summary of the information you have provided and a history of what has been done to this submission so far. At any time you can sign in to the NIHMS system, find this submission on your manuscript list, and view the updated summary to track the status of the submission.

### WHAT'S NEXT?

#### Step 3

NIHMS staff reviews the approved files for completeness, and complete submissions are converted to archival XML. The PMC-ready documents (Web and PDF versions) are checked to ensure they accurately reflect the submitted files. Processing time for this step is usually 2-3 weeks but may vary depending on the volume of submissions at a given time. An e-mail notification is sent to the Reviewer when the record is available for final review.

#### Step 4

The Reviewer reviews the PMC-ready documents (Web and PDF versions) and either requests corrections or approves them for inclusion in PMC. Final Approval is required to complete manuscript processing in NIHMS.

#### Step 5

A PMCID is assigned when the manuscript is matched to a PubMed record with complete citation information. For details, see [When will a PMCID be assigned to my manuscript?](#)
